Thank you for being a *Friend of the Medina County Home*. We are excited about all that was accomplished in 2008. Now *Friends* is counting on you to renew your membership so we can meet our 2009 goals. The Medina County Home, located at 6144 Wedgewood, Medina, has provided a safe and nurturing environment for some of our county's most vulnerable citizens for over 150 years. At the Home, residents are able to live with dignity, receive exceptional and compassionate care and most importantly, be part of a family.

Friends of Medina County Home, a non-profit organization, supports and provides financial aid to residents of the Medina County Home for items not made available through its normal operating budget. The *Friends of Medina County Home* also educates the public about the Medina County Home.

FOMCH meets in the County Home's Activity Room on the 3rd Wednesday of most months at 6:30 PM. Check your local newspapers or the Medina County Community Events Calendar <http://www.medinacountyevents.com/> for announcements and events.
